

## PHRA NANG LANTA

As our slogan suggests, the charm of Phra Nang Lanta is that none of our rooms are the same. Each of the 15 rooms had been individually designed according to holiday themes and local flora inspirations, aiming to serve our 5 target groups' needs; honeymooners, families travelers, youth, seniors and those who wants to escape from it all.

We, Vacation Village aimed to create Phra Nang Lanta as a place that will please even the most jaded travelers. Learn from our experience in managing Phra Nang Inn on Ao Nang Beach, we combined in Phra Nang Lanta the comfort of a luxury hotel with the charm of a holiday home, individualized service, big smiles that the Thais are so famous for, and of course, the stunning view of the half moon-shaped bay

## EXTERIOR

The buildings are especially designed to set among coconut groves, preserving most of the land original plantations including two nearly 70 years' old Tamarind trees and a stunning Flame tree.

Phra Nang Lanta's offers more than 80 meters of beach front where all of our rooms are just steps away from the white sandy beach.
